Hi Tom,

I will be going over to Kalispell Thursday for the public meeting. Next week I am supposed to meet with Virginia Loranger (Tester's staff) to meet with another staff member from Bozeman (?) to discuss CFAC and Libby. I will not be able to go over on the 25th as I will be on leave and in WA for the weekend. (Leaving on the 24th)

You around tomorrow? Maybe we can talk?

Mike

Thanks, nope just from you. I usually work from the bottom up so I may still run across that.

Also, for a site visit to CFAC we are trying to coordinate that and June 25th is looking like a likely date. Keep it in mind,

Tom

Hi Tom,

I called and left a message today to let you know we were sending out the CFAC AOC and SOW to both CFAC and ARCO. Since there is so much email traffic going around I'm sure you have already heard. I am just sending this email so you are in the loop and so you can let me know if you have any further questions.

Thanks
Mike
